Please read the important instruction carefully.

The Application Form is categorized into the following three sections:

1. Personal Details
2. Qualification Details
3. Upload Documents and Test Centre

Read the Note on pop-up page of the form before you begin filling the information. You need to fill section-wise application form. Once the mandatory details in a section are filled, you can move to the next section by clicking on Save and Next. However, you will not be allowed to navigate to next section, if mandatory information is not filled or the required documents are not uploaded. To navigate back to the previous section, you can click on the name of the previous section tab. Once a section is completed, the colour of the side pane will turn "Green".

Once you have completed the last section, read the declaration carefully and check the "I Agree" box. Click of Preview button to overview the details entered. You can go back to any section for making corrections, if so required.

Click on Submit button once you are ready to submit the application. You will be re-directed to make the payment. Once payment is done, your application is considered complete and submitted.

Kindly ensure that the payment made for examination fee is successful and confirmation of the same can be seen in the application form under payment status reflected as "S" (for successful). In case the status is shown as pending, the payment might be stuck with your bank and might be cleared at a later date. The application submission process is not completed till such time the status of payment is reflected as "s" in application form. NBEMS shall not be responsible for rejection of your application due to delay in settlement of the payment by your bank to NBEMS.

Post this, changes to application can be done but, are applicable to limited fields only as defined above, during the Edit Window.

Please do not send the Hard Copy of the Application to NBEMS. There is no provision to submit application outside the online application window.
